Wooden star without a tea light holder

Tools Required:

Jig saw

Pencil

Ruler

Sandpaper

Adhesive tape

Brush & Colour

Sandpaper

A standard-sized jam jar of a suitable size can be used as a tea light holder.

Optional:

Item No. 663.336 (12 pieces)

NOTE:

The OPITEC range of projects is not intended as play toys for young children. They are teaching aids for young people learning the skills of Craft, Design and Technology. These projects should only be undertaken and tested with the guidance of a fully qualified adult. The finished projects are not suitable to give to children under 3 years old. Some parts can be swallowed. Danger of suffocation! Not suitable for children under 36 months. Choking hazard!

Part List	Quantity	Dimensions (mm)	Description	Part no.
Plywood	2	300 × 210 × 8	Wooden panel	1

Assembly instructions 127.647
Wooden star without a tea light holder

Cut out the template (A) and stick it together along the adhesive edge. Then transfer it onto the plywood (1). Cut out the star (1a) and smooth the edges of the cut.

Cut out the template (B) and stick it together along the adhesive edge. Then transfer it onto the second sheet of plywood (1). Cut out the star (1b) and clean up the saw cuts.

Join the star halves (1a & 1b) together. If this is not possible, finish the groove on both parts using sandpaper. Then paint it as you like and place the tea light glass in the top opening.
