### Please Note

The OPITEC range of projects is not intended as play toys for young children. They are teaching aids for young people learning the skills of Craft, Design and Technology. These projects should only be undertaken and tested with the guidance of a fully qualified adult. The finished projects are not suitable to give to children under 3 years old. Some parts can be swallowed. Danger of suffocation!

## General

Carefully sand all the parts . To do this place the glass paper supplied on a flat surface and lightly rub the parts up and down

The joints will need to made more accurate by removing the curves with a needle file. ( Make them angular )

The next stage is to assemble and glue the parts together
