

Technical Information

SPECIAL CLEANER ACIDIC (hydrofluoric acid - free)

Product information

AUTOSOL® SPECIAL CLEANER ACIDIC (hydrofluoric acid - free) is a liquid, powerful acidic cleaner based on organic and inorganic acids, nonionic and anionic surfactants and solvents for removing stubborn dirt on commercial vehicles. For cleaning of construction vehicles with cement/lime residues, stainless steel or aluminium-attachments, heavily soiled plastics, rubber (e.g. canvas) and metal parts, stainless steel tanks or underrun protection.

Application

Spray AUTOSOL® SPECIAL CLEANER ACIDIC (hydrofluoric acid - free) evenly onto the surface to be cleaned from a distance of about one metre using a sprayer. Depending on the degree of soiling, choose the recommended dilution ratio with water 1:20-1:5. Allow to react for max. 5 minutes. Then rinse the surface with plenty of water! If necessary, neutralise before discharging into the sewage system.

Note

Be sure to test for material compatibility beforehand. Do not allow the medium to dry and do not apply to acid-sensitive surfaces.

Technical Data

Form: liquid
Colour: colourless
Odour: characteristic

Health and Safety

Safety Data Sheet is available separately.

Additional Information

Art.-No.: 13 012403	5L canister	PU: 1
Art.-No.: 13 012405	25L canister	PU: 1
